

<https://www.mysql.com/products/workbench/>

The screenshot shows the MySQL Workbench product page. The header includes the MySQL logo, navigation links for MySQL.COM, DOWNLOADS, DOCUMENTATION, and DEVELOPER ZONE, and social media icons. A sidebar on the left lists various MySQL products and editions. The main content area features the 'MySQL Workbench' title, the tagline 'Enhanced Data Migration', a 'Download Now' button, and a screenshot of the Workbench interface. Below this, a paragraph describes Workbench as a unified visual tool for database architects, developers, and DBAs.

MySQL Workbench
Enhanced Data Migration

Download Now »

MySQL Workbench is a unified visual tool for database architects, developers, and DBAs. MySQL Workbench provides data modeling, SQL development, and comprehensive administration tools for server configuration, user administration, backup, and

The screenshot shows the download page for MySQL Workbench 8.0.34. It features a 'Select Operating System' dropdown menu set to 'Microsoft Windows'. Below this, a 'Recommended Download' section displays a large graphic for the 'MySQL Installer for Windows' with the text 'All MySQL Products. For All Windows Platforms. In One Package.' and a 'Go to Download Page' button. An 'Other Downloads' section lists the 'Windows (x86, 64-bit), MSI Installer' for version 8.0.34, which is 46.4M in size, with a 'Download' button and a link to the file.
